DAILY SUMMARY
The Iran–U.S. Trigger List

Israel/Yemen 18 March

The Israeli military reported that a "suspicious aerial target" had entered Israeli airspace by way of the Red Sea, and "fell in an open area north of Eilat".

Israel/Golan 17 March

Syrian state media reported Israeli strikes against "a number of sites in the southern region... [which] injured a soldier and caused material damages".

Washington/Yemen 16 March

CENTCOM reported that the Houthis had "launched two unmanned aerial vehicles (UAV) from Houthi-controlled areas of Yemen toward the Red Sea… [U.S.] forces successfully engaged and destroyed one UAV and the other is presumed to have crashed into the Red Sea". Later, CENTCOM "destroyed five unmanned surface vessels and one UAV in Houthi-controlled areas of Yemen in self-defence".

Washington/Yemen 15 March

The U.S. designated "one entity and identif[ied] one vessel as blocked property for involvement in illicit trade on behalf of the Houthis and Iran's Islamic Revolutionary Guard Corps-Qods Force (IRGC-QF)".

Washington 15 March

The U.S. and other Group of Seven countries jointly expressed concerns over "reports that Iran is considering transferring ballistic missiles and related technology to Russia after having supplied the Russian regime with UAVs, which are used in relentless attacks against the civilian population in Ukraine". They warned: "Were Iran to proceed with providing ballistic missiles or related technology to Russia, we are prepared to respond swiftly and in a coordinated manner including with new and significant measures against Iran".

Washington/Yemen 15 March

CETNCOM reported that the Houthis had "fired three anti-ship ballistic missiles… toward the Red Sea. There were no injuries or damage reported".
